

Being a YW Bingo Volunteer

ABOUT BINGO VOLUNTEERING

Across the Niagara, the Ontario Charitable Gaming Association works with Delta Bingo & Gaming to offer bingo to our communities. A portion of these proceeds from each Delta Bingo session is donated to a charity in need. Over the years, Delta Bingo and Gaming has donated over \$133 MILLION to over 900 Ontario charities – the YWCA Niagara Region is honoured to be one of them.

In order to be eligible to receive these donations, we rely on the generosity of our volunteers who show up time and time again to serve as ambassadors of the YW in their Bingo Volunteer role. We are only able to receive the funds if we have a volunteer at each 2-hour Bingo shift. Funds from Delta Bingo help us keep our emergency shelter doors open and continue our Skills Development programming for women and youth. Your support is invaluable to our community.

REQUIREMENTS

- Volunteers must be 18 years old or older
